## *Moulding future leaders*

In 2003 under the aegis of DPS Society, the OmDayal Group opened the gates of DPS Ruby Park with the vision of raising the benchmark of the standard of education in the city. Another big step towards achieving the same was taken only a few years later in 2011 when DPS Durgapur was inaugurated. In the subsequent years we have accomplished our goal to create world-class education system in the city and are continuously striving to reach new heights of success. With brilliant academic record and laurels won at numerous Inter DPS and CBSE competitions nationwide, we have become one of the most prestigious institutions among 200+ DPS schools in India and abroad.

In 2010, the OmDayal Group set up **OmDayal Group of Institutions** - NAAC accredited Under Graduate Engineering and Architecture College, at Uluberia, Howrah. Approved by AICTE and COA, affiliated to MAKAUT, the institution added a new dimension to the vision of revolutionizing the education system for the better. Our effort as educators is to ensure that our students step into the wider community empowered with a sense of ambition, confidence and absolute faith in their innate abilities to pursue and follow the paths they have chosen for themselves.
